

Nancy Kempen

MLS(ASCP), LSS Green Belt

Project Manager, Lab Optimization

EXPERIENCE

Years in a hospital lab: 25
Years as a consultant: 9

FIRST LAB EXPERIENCE

Working part-time as a phlebotomist during college.

INSPIRATION

Making a difference in the day-in-the-life of a medical technologist so they can make a difference in patient outcomes.

PHILOSOPHY

Sharing strategies and tools aiming to improve organizational efficiency, providing actionable patient results in a timely manner.

PASSIONS OUTSIDE THE LAB

- Biking
